

Philip Bogaerts, 2009

The 'Minimal Plus' series represents simplicity and elegance which will fit in various interiors. The furniture can be used as stand alone or combined together to create a complete lounge area. 'Minimal Plus', created by Philip Bogaerts for JSPR distinguishes itself by its unique character that can be defined as straight lines combined with a striking star-shaped pattern. The 'Minimal Plus' series exists completely out of foam and is covered with a thick layer of Realskin rubber. All the items are available in various sizes and colours.
