Jasper van Grootel

Aurora collection consists of a variety of circle shaped lighting fixtures in different diameters. Crafted of anodised aluminum and fitted with a++ retro light bulbs, these design objects are sophisticated yet playful. It is possible to connect thru the auras; create an immense lighting object by using a range of the same or different sizes offered. These lighting items add a luxurious and intense atmosphere to a space, whether it's in a hospitality, private or public space. Available in four standard colours: black, white/silver, champagne and gold.
