Jasper van Grootel

The Cityscapes collection by JSPR is a sophisticated lighting series inspired from city skylines. This contemporary collection can be used in lots of different spaces from classical to minimalistic and loft styled spaces.

The Cityscapes offer both decorative and functional lighting options that can be controlled independently. The spotlights offer a powerful dimmable downlight and the (optional) inner ring illuminates the luminaire itself.

**CITYSCAPE**

height 170 mm | diameter 1080 mm  
6 spots 33W - optional inner ring 25W
