Jasper van Grootel

Inspired by the neon lights of the Tokyo nightlife, the Tokyo collection by Jasper van Grootel provides an exciting atmosphere. The collection consists of circle shaped fixtures, crafted from durable aluminium, provided with neon LED tubes of 3000K or 4000K and high luminosity that gives the collection an urban and modern feel.

The Tokyo lights are standard delivered including dimmable LED light; textile electricity cable (3m); three steel suspension cables (3m) and are standard available in two different sizes and five different colors: black, silver, champagne, gold and bronze.

Standard delivered with an externally placed phase-cut Triac dimmable driver.
